

\$6 million Investment

Family Office
Brighton, MI

“Our family office is often presented with too many similar equity investment opportunities of high risk and insufficient returns. Links Financial sourced and structured a \$6 million dollar first mortgage investment opportunity that produced a 16% IRR, netted us over \$400,000, while returning all investment capital in a 10 month period.”
- Family Office partners

Links Financial sourced and structured a real estate debt opportunity to diversify a family office’s alternative investment portfolio.
