**What I love most about WLP:** I enjoy being with women leaders who have a passion to help other women become successful. Our scholarships, events and signature program are all geared to promote women which is fantastic!

**Favorite quote:** “Don’t be afraid to go out on a limb. It’s where all the fruit is.”

**Favorite book:** I love to read a variety of books – fiction and non-fiction. Right now I’m enjoying some of Michael Lewis’ books: *The Big Short*, *Liar’s Poker*, *Flash Boys*. I also enjoyed the Bill O’Reilly books – *Killing Lincoln*, *Killing Kennedy*, *Killing Jesus*, *Killing Patton*, *Killing Reagan*. You know how the story is going to end but they are still gripping! A mentor told me once that: Leaders are Readers. I agree with that!
